TH SAVINGS CAMPAIGN RETURNS WITH RM500,000 CASH PRIZES

Save, Register & Win 2021 Campaign Launched

KUALA LUMPUR, January 20, 2021 - Lembaga Tabung Haji (**TH**) is continuing its Save, Register and Win campaign this year, raising cash prizes by a third to RM400,000, following an encouraging response from the public.

The success of the campaign has also inspired **TH** to introduce a similar campaign for members of its TaHa Club, which focuses on young depositors, offering cash prizes worth RM100,000.

The Save, Register and Win campaign which has entered its second year has also introduced a new condition where depositors must register as a THiJARI user. THiJARI is the digital platform for **TH**, available online (www.thijari.com.my) and as a mobile application on smartphones.

The Save, Register and Win campaign aims to foster savings habit among the public and depositors, attract muslims to register for Hajj and encourage depositors to register as THiJARI users for added convenience.

"For the first time ever, **TH** is also introducing the Save, Register and Win TaHa Club campaign for young depositors aged 17 and below. To participate in this campaign, they only need to deposit at least RM1,300 – add another RM1,300 on top of the initial deposit and register for Hajj for those yet to do so. The cash prize is RM100,000 for 200 lucky TaHa Club members."

"This campaign is one of our efforts to reach out to young depositors as well as encourage them to plan their finances from an early age for the purpose of performing the Hajj one day," said Datuk Nik Mohd Hasyudeen bin Yusoff, **TH** Group Managing Director and Chief Executive Officer.

The two campaigns start from 1 January 2021 and end on 31 December 2021, with four (4) draws scheduled in April, July, October 2021 and the final draw in January 2022.

For more information on both campaigns, kindly refer to the T&C on **TH** website or contact Tabung Haji Contact Center (THCC) at 03-6207 1919.
